Re: Great Lakes Asphalt, Zionsville, Indiana,
Site No. FL

Dear Ms. Traub:

We are writing you this letter on behalf of
Audiotronics Corporation. Audiotronics Corporation is presently
in a Chapter 11 proceeding. Audiotronics Corporation was a
de minimus settlor in U.S. v. American Waste Processing, Ltd., et
al. and U.S. v. United Technologies Automotive, Inc. In the
consent decree the United States covenanted not to sue or take
administrative action against de minimus settlors.

In order to benefit from this consent decree,
Audiotronics Corporation was obligated to pay the sum of
\$3,000.00, in view of the fact that it was an alleged contributor
of less than the minimum. We expect to have approval in the
Bankruptcy Court for payment of this sum shortly. In view of
your letter, please inform us whether the payment of this \$3,000,
when approved (which requires notice and a hearing), will settle
the matter relative to Audiotronics Corporation.

If such a payment will not settle the matter with
respect to Audiotronics Corporation, then we will schedule this
as a claim in the Bankruptcy Court in the very near future. We
expect that there will be a bar date for claims on or about
February 28, 1991.
